## We are all part of God's Puzzle

By: Sallie Mann

Last Sunday Matt's sermon spoke to my heart. The question I heard was, "Have you seen God show up BIG?" And my answer was YES! God had a plan for our "foreign mission project" right here at Heritage Baptist Church. Camp Learn-A-Lot came together in two week time. On Memorial Day Sunday fifteen of our members signed up to volunteer tutoring our students. We also had seven friends from other churches join our team.

Our volunteers had needed materials, God given talents, love for children, and joy to share. Our students learned through music, art, stories, tutoring and learning games. Our students left Tuesday with smiles on their faces, love in their hearts, a better understanding of letters, number vocabulary words and multiplication facts.

Our volunteers left with smiles on their faces, love in their hearts and some big questions! What's next?

What more can we do for these children? They still have academic needs. What will our next step look like? Wow! Matt ended his sermon Sunday with, "What is God's plan for Heritage Baptist during this interim period?"

My prayer is that it is to continue this "foreign mission project" in some way. Thank you church family for your willingness to use our building, and each one of you who prayed to carry out this mission project.

Love and Joy,  
Sallie

"Love is the eternal 'yes' to life's possibilities and promise." Love "is the lens that enables us to see each person and creature as a gift worthy to be cherished." (author Norman Wirzba) I don't know about you, but I struggle to get past "love is patient and kind" in 1 Corinthians 13. But if love is the eternal yes, then I want to deepen my love life! Join us on Thursdays in August as Bird LeCroy leads us in fresh new ways to "provoke one another to love," or, as the Message says, "Let's see how inventive we can be in encouraging love." August 3-24, 1:00-2:30 p.m. in Seekers Sunday School room.

We would LOVE to see you there!
