Have We Gone Bananas?! Introducing Heritage News

By: Robyn Rhodes

Heritage News will be shared electronically and mailed to a limited number who request it. Loaded with upcoming events and important church information, [look here to stay in the loop.](#)

We all do it.

Sometimes without even thinking about it, that once beloved newsletter gets dropped immediately in the trash.

Our church is an amazing hub of activity. So much so, that it has been easy to feel a bit lost amongst all that goes on around here.

Enter - Heritage News! We are excited to bring you a new in-house publication to highlight all that Heritage is offering

each month as well as having the space to dive deeper into our relationships with one another and even our mission partners locally and around the world.

Drawing you in with full color images, a list of upcoming events, and uplifting content we hope that you will enjoy each issue that comes your way.

It is our hope that sharing the "good news" brings a smile to your face and encourages you to engage more fully with your church family. There are numerous ways to serve at HBC, but perhaps this fresh approach will uncover something that you weren't aware of and that speaks personally to you.

Please enjoy this first edition and bear with us as we seek to improve its meaningfulness month by month.

Together - Created for Community

By: Michael Tutterow

Lent invites us to take a journey with Jesus. And with each other.

It begins alone in the desert and ends with a crowd trudging up the hill at Calvary. It's a reminder that we need each other. We were created for community. So this Lent, let's walk together. With Jesus; with each other. And let's renew our commitment to each other to be a community of faith, a gathering of fellow pilgrims walking through life together.

Celebrating 35 Years of Heritage Baptist Church

By: Robyn Rhodes

Doing what Heritage does best.
A day of hospitality and welcoming home.

As is customary, every five years Heritage pulls out all the stops and remembers how God called us to be a church, invites a guest preacher to share memories of Heritage and then feasts upon all that is good. For 35 years now, our covenant has guided us and continues to reflect the hopes and ideals of what we believe God is calling us to be and do. Woven throughout worship were special reminders of how each of our talents come together to glorify God. Please enjoy the photos and memories shared below.

Thank you to Britt Hester for preaching on our 35th Anniversary. Britt is pictured with his wife, Courtney, daughter- Abbigail, son- Micah and parents - Kathy and Lamar.
