## Food Pack

By: Michael Tuterow

**"And the King will say, 'I tell you the truth, inasmuch as you did it to one of the least of these my brothers and sisters, you were doing it to me!'"**  
**Matthew 25:40**

Fall and a bowl of soup go hand in hand. So imagine what 20,000 bowls of soup could do for 20,000 pairs of hands!

This month, our Heritage family of faith kicks off our month-long Global Missions emphasis by hosting another Operation Inasmuch "Food Pack" on Saturday morning, September 24. We'll need a minimum of 75 volunteers for the morning to pack the dried ingredients for 20,000 hearty bowls of soup.

This year's "Food Pack" takes on extra special meaning – the bags of soup we prepare will be shipped to help feed people in war-torn Ukraine.

While the work is serious, the way we do it is fun! Working together on 10 assembly lines, we will combine dried ingredients into soup bags that will make up 20,000+ meals in about four hours. Who knew something so miraculous could be so much fun? Just ask those who shared in a previous "Food Pack" events.

Dr. David Crocker, the Founder of Operation Inasmuch ministries, will lead our “Food Pack” this year. David is a familiar face to many of us since he’s led several previous packing events for us. His positive, encouraging personality makes the work enjoyable as well as meaningful.

David will be our guest throughout the weekend. On Sunday morning, he will lead a one-room Sunday School session on principles from his new book, *Compassionaries: Unleash the Power of Serving*. That will meet at 9:00 a.m. in Fellowship Hall. And then David will lead us in worship at 10:00.

Check out David’s new book!

Let’s make a miracle happen for people in Ukraine!

It’s a weekend you won’t want to miss. Come, and witness what happens when we work together to unleash the power of serving!

The Food Pack for Ukraine ministry serves as the kickoff for our October emphasis on Global Missions. Throughout the month we’ll highlight the work of several of our partners around the world – from our sister church in Holguin, Cuba to the work with orphans championed by Daryl Roberts and Live 2540; from the development ministries of Sustainable Liberia led by Jessie Togbadoya (our missions guest Oct. 9) to the care for refugees offered by Missy and Francis Angalla and the Amani Sasa center in Kampala, Uganda, and by Karen in North Africa (her name and location cannot be in print for security reasons).

Each time we share our resources and offer our prayers in support of these ministries, we are literally engaging in life-saving and life-changing work. And whenever we help change a life, we help change the world.
